The RCCRS generated F12 must be used for all QA processes including Internal Verification of Results, External Authentication and Results Approval (exception CSCS/QSCS, Environment Programmes and Standards Based Apprenticeship)

All results must be internally verified, externally authenticated and approved by Results Approval Panel.

For awards being deactivated requests for certification must be processed no later than the October 2015 certification round.

Training Standards Offices to be provided with an Annual Course Assessment Process and Results Plan for 2015 to assist work planning and scheduling.

Note: Approved Results should only be put on hold by the ETB Training Centre in the RCCRS, where an Appeal of a result has been lodged or where there is an adverse change to a result approved by RAP, which may have the potential for an appeal to be lodged. The holding of results by the system for 12 days after **approval** will no longer continue.
